

WBG-Pooling®

Pooling | Washing & Sanitizing | Recycling | Trade | Warehousing

Product data sheet

WBG-Pooling-Foldable-Crate 6411 black

Special features

- > Inmouldlabel with GRAI serial number, as GS1-128 Barcode, GS1 DataMatrix Code and in clear text
- > Enhanced traceability and integration into in-house systems
- > 87% volume reduction – reduced transport and warehousing costs due to the “SmartLock” folding mechanism
- > Easy handling due to patented locking system
- > Easy cleaning and optimal air circulation due to the perforation
- > Weather and UV-resistant material

Product data WBG-Pooling-Foldable-Crate 6411 black

Dimensions	Tare weight	Material	Colour
600 x 400 x 117 mm	1,47 kg +/-1 %	PP (Crates), POM (Lock)	Black, similar RAL 9004C

Volume	Loading capacity	Temperature resistance	Sides and floors
23 L	15 kg	From 0°C to +40°C	perced

Certification	Inmouldlabel	Special features
–	on both long sides	<ul style="list-style-type: none"> > Inmouldlabel with GRAI serial number, as GS1-128 Barcode, GS1 DataMatrix Code and in clear text > Enhanced traceability and integration into in-house systems > 87% volume reduction – reduced transport and warehousing costs due to the “SmartLock” folding mechanism > Easy handling due to patented locking system > Easy cleaning and optimal air circulation due to the perforation > Weather and UV-resistant material

Information Trailer volume scaling

Number per pallet	Slots	Quantity
336 (folded)	33	11.088
