As fresh as it gets: This reusable BigBox is suitable for foods that need to be transported with ice or water.

- container made from a single mold, resulting in high stability
- tracing of individual reusable containers through RFID, EAN code, DataMatrix (Smart Label) possible
- integrated drain on 2 sides

A food-safe, robust returnable transport packaging that is excellent for sensitive food items as primary or secondary packaging. The smooth walls make the BigBox easy to clean and meet all hygiene standards.
