Product Highlights

Maximum volume for efficient transports:
Our reusable BigBox is suitable for foods of all sorts!

- container made from a single mold, resulting in high stability
- tracing of individual reusable containers through RFID, EAN code, DataMatrix (Smart Label) possible
- high air circulation due to perforation

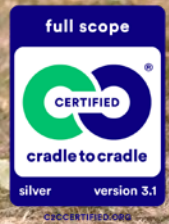

A food-safe, robust returnable transport packaging that is excellent for sensitive food items as primary or secondary packaging. The smooth walls make the BigBox easy to clean and meet all hygiene standards.
